## PREFACE

At Krishnashray Gurukul SEDI, we believe that quality skill development is the key to transforming lives and creating a self-reliant society. Located in Jatipura, Goverdhan Block, Mathura, we have been dedicated to empowering rural youth and marginalized communities through industry-relevant vocational training. Since 2019, our association with the Ambuja Foundation has strengthened our efforts in curriculum enhancement, faculty training, and structured placement support, ensuring that our students receive the best opportunities for sustainable livelihoods.

Over the years, we have expanded our impact through strategic partnerships with esteemed organizations such as AU Small Finance Bank, Nabcons, Schneider Electric, Dixon Technologies, Hygienic Research Institute (Strex), and Kokuyo Camlin Ltd. These collaborations have helped us upgrade our course content, provide hands-on industry exposure, and secure meaningful employment opportunities for our trainees. Furthermore, our initiative in Equity Derivatives Training has enabled students to secure placements with competitive salaries, reinforcing our commitment to financial empowerment.

Beyond technical skills, we prioritize the holistic development of our trainees by offering dance, sports, and personality development classes, ensuring they build confidence, discipline, and teamwork. Expanding our reach, we have also started working in the agriculture sector through our Better Wheat Initiative, supporting 250 marginalized farmers with advanced farming techniques. In the upcoming financial year, we aim to train over 1,000 students and benefit 500 farmers, providing them with upskilling and enhanced livelihood opportunities.

At Krishnashray Gurukul, our mission is driven by our 3Ps – POWER • PURPOSE • PLATFORM. As we move forward, we remain committed to uplifting rural communities, fostering self-reliance, and shaping future leaders. This annual report reflects our journey, milestones, and aspirations as we continue to make a meaningful impact on society.

## KRISHNASHRAY GURUKUL SEDI

Krishnashray Gurukul, located in Jatipura, a small village in the Goverdhan Block of District Mathura, Uttar Pradesh. We are a not-for-profit organization dedicated to ensuring quality skill development training for underserved communities. Our journey began in 2016 with the launch of a Silai Sewing School in affiliation with USHA (Empowering Women of India). What started as a small initiative to encourage women and children in the village soon grew into a recognized training hub, extending its impact across a 60 km radius. We expanded our training programs by partnering with the Institute of Chartered Accountants (ICA) to introduce an Accounts & Tally course, enabling local youth to gain relevant skills for the job market. In our commitment to operating with greater professionalism and impact, we joined hands with Ambuja Foundation in June 2019, a collaboration that continues to strengthen our mission. Over time, our role evolved beyond education and livelihood training. Today, we have extended our efforts into community development, recognizing the broader needs of rural life. A significant initiative in this direction is the Better Wheat Initiative (BWI)—launched to uplift marginal farmers by promoting organic farming practices. Through BWI, more than 250 farmers in the Goverdhan area are being empowered to improve their agricultural yield and income, creating a sustainable and resilient rural economy. From skill-building to social transformation, Krishnashray Gurukul continues to walk hand-in-hand with the community, nurturing meaningful change at the grassroots level. Krishnashray Gurukul has introduced Equity Derivative classes for some selected graduate trainees to enhance their financial market skills and career readiness.

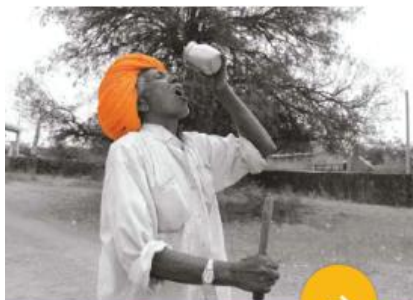

**"Krishnashray Gurukul SEDI is more than just a training center — it's a place where potential is discovered, talents are honed, and lives are transformed. Watching our students grow into confident, self-reliant individuals is the true reward."**

— Sanjay Kothari

# AMBUJA FOUNDATION

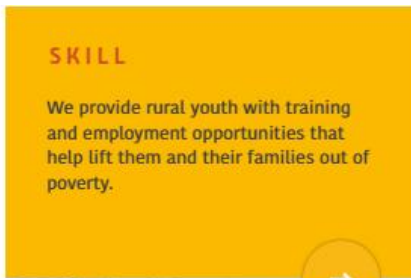

Ambuja Foundation is the CSR (Corporate Social Responsibility) arm of Ambuja Cements Ltd, one of India’s leading cement manufacturing companies. Established in 1993, Ambuja Foundation has been actively working towards sustainable development in rural India by focusing on empowering communities, improving livelihoods, and ensuring environmental sustainability. Ambuja Foundation envisions a prosperous, self-reliant, and sustainable rural India. Its mission is to empower communities by improving livelihoods, promoting health and education, conserving natural resources, and fostering women empowerment through a participatory approach.

## Core Areas of Work

### WATER

We create drought-resilient rural villages and ensure all-year-round water for farmers, families and communities.

### SKILL

We provide rural youth with training and employment opportunities that help lift them and their families out of poverty.

### AGRICULTURE

We help farming families prosper, by nurturing farmers and organizing them into groups to enhance their profitability.

### WOMEN

We harness the power of women to be change makers, generating income and leading communities.

### HEALTH

We build healthy communities to enable people to lead more productive lives.

### EDUCATION

We ensure rural children get good quality education and differently-abled children to reach their potential.

# STRATEGIC ALLIANCE

Krishnashray Gurukul is forming alliances across various sectors for societal benefit. These collaborations aim to enhance skill development, create better opportunities, and drive positive change. Through these partnerships, we strive to achieve our mission of empowering individuals and communities.

Kokuyo Camlin

**Dixon**<sup>®</sup>  
The brand behind brands

Dixon Technologies (India) Limited

**Schneider**  
Electric

## 1. Kokuyo Camlin Limited:

Krishnashray Gurukul has signed an MoU with Kokuyo Camlin Ltd., making them knowledge partner for our Fine Arts & Painting course. They have helped us develop course content, conducted four expert-led workshops, and provided arts and crafts materials at discounted rates. Additionally, they facilitate employment opportunities for our students based on merit within their network.

## 2. Dixon Technologies India Limited:

Building on their generous support from last year for upgrading our Mobile Repairing training program, Dixon Technologies has now partnered with us as a training funding partner. They have sanctioned a proposal of Rs. 13.60 Lakhs to cover training costs for four batches of mobile repairing.

## 3. Schneider Electric:

Schneider Electric remains a key knowledge and infrastructure partner for Krishnashray Gurukul SEDI. Our trainer, Mr. Vinod Kirad, completed a 15-day training in Bengaluru, enhancing his expertise. Additionally, two students were nominated for solar energy entrepreneurship training. This collaboration boosts training quality and expands opportunities in renewable energy.

## 4. Hygienic Research Institute Private Limited:

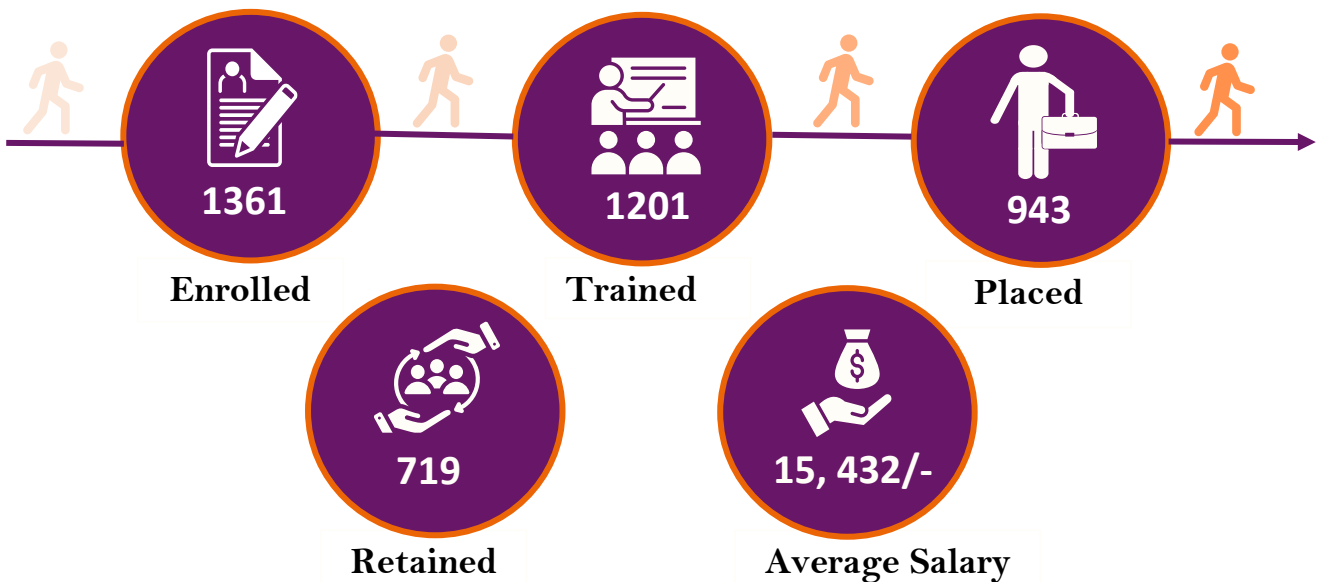

We collaborated with Hygienic Research Institute (HRIPL), the brand behind Streax as knowledge partner to enhance our Hair & Beauty segment at Krishnashray Gurukul. HRI will support us in classroom design, course upgrades, internships, placements, expert lectures, and faculty training.

# PARTNERSHIP GROWTH

## AU FOUNDATION

Since December 2021, our collaboration with AU Foundation has been a game-changer, opening doors of opportunity for youth from underserved communities and guiding them on a powerful path of growth and transformation.

This partnership has done more than just improve financial conditions—it has ignited a renewed sense of confidence, purpose, and self-belief in those we serve. The journey from January 2022 to now has been nothing short of inspiring, marked by continuous progress and life-changing impact.

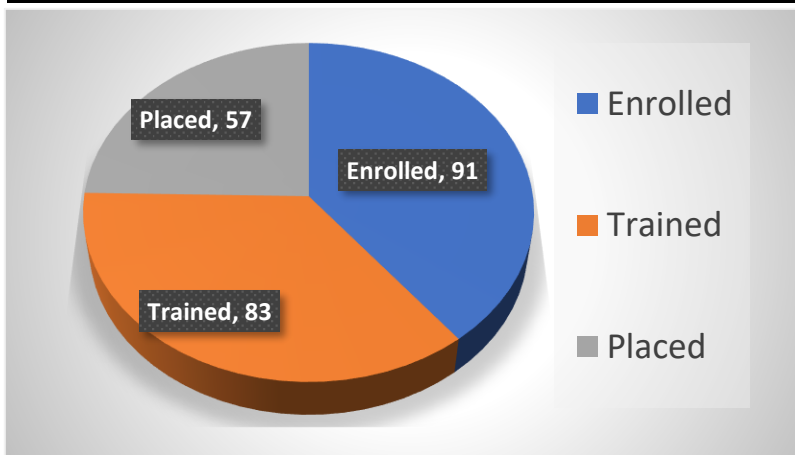

## DIXON TECHNOLOGIES

Dixon Technologies has come on board as our training funding partner, extending their support with a sanctioned proposal of ₹13.60 lakhs to cover training costs for four batches of the Mobile Repairing program.

The Handheld Devices Technician Course aims to empower students with the essential technical skills to diagnose, repair, and maintain a wide range of handheld electronic devices—including mobile phones, tablets, and smartwatches. The curriculum is comprehensive, covering both hardware and software components. Participants learn to resolve common issues such as screen breakage, battery and charging problems, and software-related faults.

# KRISHNASHRAY GURUKUL JOURNEY

Established Krishnashray Sewing School in partnership with USHA.

2016

1

Introduced Fashion Designing course and Tally & Account course in collaboration with ICA (Institute of Computer Accountant)

2

2017

Launched Fine Arts & Painting and Dance classes!

2018

3

Partnered with Ambuja Foundation as an implementing partner and launch two vocational courses: General Duty Assistant (GDA) and Assistant Beauty Therapist (ABT)

4

2019

Introduced AE course with NABCONS as funding partner and Schneider Electric as infrastructure partner

2023

8

- Initiated an upskilling program for ABT trainees, focusing on advanced Nail & Eyelash Extension techniques.
- Shifted to new premises.

7

2022

Introduced BCBF course and Partnered with AU Foundation to fund three courses: BCBF, ACE and GDA

2021

6

- Partnership with NABARD for GDA and Fashion Designing programs.
- Launched the Mobile Repairing course with TSSC as the knowledge partner in Oct 2020

5

2020

2024

9

#### In Feb 2024

- Dixon Technologies (India) Limited become our funding partner for Handheld Devices Technician course.

#### In Apr 2024

- Collaborated with Camel as the knowledge partner for the Fine Arts & Painting trade.

#### In Oct 2024

- Launched the Better Wheat Initiative (BWI) for 250 marginal farmers. Also initiated a special Equity Derivative Training batch with 10 enrolled trainees.

#### In Dec 2024

- 2 candidates from Equity Derivative batch got placement at Junomoneta Finsol Private Limited in Delhi with ₹33,000 CTC.

“I am from Nagla Jangli, Goverdhan. I completed my graduation and got married in my final year. Joining Gurukul’s Accounts Executive course was a turning point, as it improved my communication and IT skills. Today, I earn ₹42,000 per month with benefits like provident fund and ESI. I believe Gurukul has and will always provide courses for working professionals, helping us achieve greater career success.”

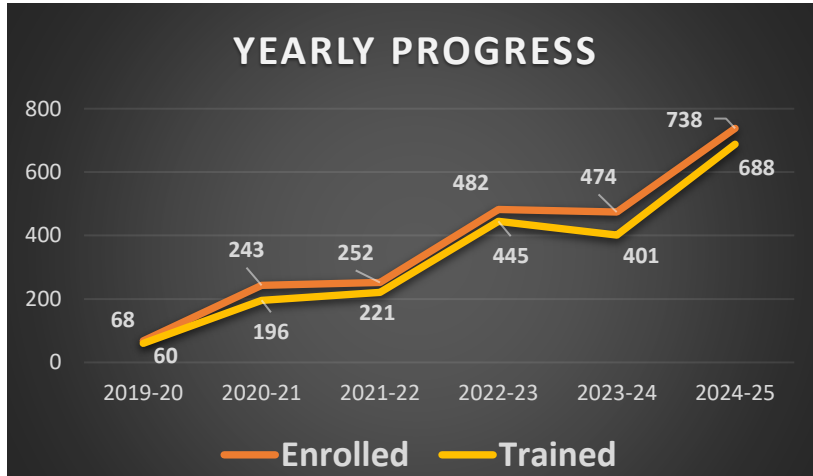

- **Ranjeet Singh, Mahindra Finance**

“I’m Preeti, 21 years old. Before joining Krishnashray Gurukul SEDI, I was extremely shy and afraid to speak in front of others. The GDA course and AU Ignite program helped me come out of my shell, build confidence, and develop real-life skills. Today, I’m working as a Nursing Assistant at Paras Hospital with a salary of ₹22,000. I’m proud of how far I’ve come—and grateful to Gurukul for helping me find my voice and purpose.”

- **Preeti, Paras Hospital**

# ANNUAL FUNCTION 2024-25

Krishnashray Gurukul proudly hosted its Annual Function 2025 on January 25, featuring joy, energy, and inspiration. Mr. Atul B. Lall, Vice Chairman & MD of Dixon Technologies, graced the occasion as chief guest, sharing his vision of creating 500 electronic champions, with 25 from Gurukul.

The event showcased a Unity-in-Diversity dance performance, followed by Student of the Year awards, and a special felicitation for mothers of our Gurukul team. Adding cultural and spiritual depth, a mesmerizing Braj Leela performance captivated the audience.

Students actively participated in the Youth Icon and Quiz Competitions, and the event concluded with felicitation of alumni completing one year in their jobs.

# TESTIMONIALS

## Employer Testimonial

We have been hiring candidates from last 3 years from Krishna Ray Gurukul Foundation for different roles and found the students sincere and hard working. Also, Mr. Mahesh helps us in increasing the footfalls whenever we do some Placement drive at Our Regional / Zonal office. It has been nice experience with the Institute.

**KESHAV CAPRIO**

Training Manager  
Shriram Finance

## Parents Testimonial

एक माता-पिता के लिए इससे बड़ी खुशी क्या होगी कि उनका बेटा अपने पैरों पर खड़ा हो गया है। स्कूल के बाद हमारे बेटे ने खेती में हमारा साथ दिया, फिर असिस्टेंट इलेक्ट्रिशियन कोर्स से उसकी शिक्षा बदली। कृष्णराय गुरुकुल से मिले प्रशिक्षण ने उसमें आत्मविश्वास भरा। आज वह टीवीएस चैन सॉल्यूशन प्रा. लि., अलवर में कार्यरत है। परिवार को सहारा दे रहा है और पूरा गाँव उस पर गर्व करता है। हम कृष्णराय गुरुकुल के आभारी हैं।

**-भूपन सिंह**

अविन्द सिंह के पिता  
कोर्स- असिस्टेंट इलेक्ट्रिशियन

## Employer Testimonial

"Krishnashray Gurukul Foundation is making a remarkable contribution to society by nurturing a culture of skill development and self-reliance. Through this foundation, they are not only preparing a highly skilled workforce but also enabling individuals to support themselves and their families during their education. Their commitment to creating opportunities and empowering individuals to give back to the community exemplifies true societal impact. The foundation's efforts are paving the way for sustainable growth and economic empowerment, leaving a legacy of positive change."

**Namita Dabas**

Sr. Manager ( Learning and Organization Development)  
Dixon Technologies India Ltd.

## Parents Testimonial

मैं प्रियंका जायसवाल की माँ हूँ, और मुझे गर्व है कि मेरी बेटी आज अपने पैरों पर खड़ी है। बनारस जैसे शहर में एक साधारण परिवार से होने के बावजूद प्रियंका ने हमेशा परिवार की जिम्मेदारियाँ समझीं। UPSC की तैयारी के दौरान जब रास्ता बदल गया, तो हमारे मन में डर था। लेकिन कृष्णराय गुरुकुल से अकाउंट्स असिस्टेंट कोर्स करने के बाद, उसे energizer, नोएडा में नौकरी मिल गई। पहली सैलरी ₹17,400 पाकर उसकी आँखों में खुशी और आत्मविश्वास देख मेरा दिल भर आया। आज वो हमारे लिए सहारा बनी है। हम गुरुकुल के बहुत आभारी हैं।

## Employer Testimonial

We are truly grateful for our collaboration with Krishnashray Gurukul Foundation. Your dedication to nurturing and empowering individuals through specific programs like education, skill development, or vocational training is evident in the caliber of candidates they provide.

The individuals we have received from the foundation are not only well-prepared and skilled but also exhibit a strong sense of commitment and responsibility—qualities that reflect the foundation's values and efforts in holistic development.

Working with Krishnashray Gurukul Foundation has been a seamless and rewarding experience. Your professionalism and focus on creating opportunities for deserving individuals make them a trusted and invaluable partner. We look forward to continuing this meaningful association and supporting their mission to transform lives.

**ANKUSH**

## Parents Testimonial

हमारी बेटी की शादी 18 वर्ष की उम्र में हो गई थी, लेकिन एक साल बाद ही उसके पति का बीमारी से निधन हो गया। वह एक छोटे बेटे के साथ बेहद दुखी जीवन जी रही थी। यह देखकर हम सभी बहुत व्यथित थे। फिर वह हमारे पास लौट आई और हमने निर्णय लिया कि उसे आत्मनिर्भर बनाना चाहिए। सहूलियाँ से उसे कृष्णराय गुरुकुल की जानकारी मिली। वहाँ से कोर्स करने के बाद उसकी मुँह में नौकरी लग गई। आज हम उसे देखकर संतुष्ट हैं कि वह आगे बढ़ चुकी है और अपने साथ-साथ अपने बच्चे का पालन-पोषण भी कर पा रही है।

## NEW PROGRAM LAUNCHES

### Equity Derivative (Future & Options) Training Program

Krishnashray Gurukul SEDI, a skill development institute committed to empowering the youth of Mathura, Uttar Pradesh, since 2016. We provide training across multiple domains, including Accounting, Finance, IT, and Healthcare, with a strong focus on enhancing employability. As part of our initiatives, we launched an Equity Derivatives Training Program, aligned with the NISM Series VIII - Equity Derivatives Certification, to equip students with a comprehensive understanding of futures, options, trading strategies, and risk management. Key topics include stock indices, futures and options trading, pricing models, market structure, clearing & settlement, and algorithmic trading. It also addresses taxation, accounting, SEBI regulations, and investor protection, equipping participants with essential knowledge to navigate the equity derivatives market effectively. We began this program with a pilot batch of 10 students, of which 5 successfully cleared the NISM exam. Three students have already been placed. Another batch of 11 students has completed training, and are waiting to attempt for the exam. Based on the success of this initiative, we aim to expand the program in the next financial year, training four batches of 20 students each (approximately 80 students annually).

# Community Development through Better Wheat Initiative

After nearly a decade of dedicated work in skill development at Mathura, Krishnashray Foundation is now expanding its efforts towards community development by focusing on agriculture. Our latest initiative, the Better Wheat Initiative, in collaboration with the Ambuja Foundation, aims to enhance the yield and income of marginal farmers.

In this project, we have worked with 250 marginal farmers, focusing on wheat cultivation while also promoting vegetable

cultivation to further diversify income sources. The initiative includes several interventions, such as farmer selection, capacity building, the introduction of sustainable agricultural practices, and the adoption of sprinkler irrigation systems.

The project is already underway, beginning with initial farmer meetings, the selection process, and collaboration with the Gram Pradhan and the Agriculture Department. We are enthusiastic about moving this initiative forward to help our community's farmers achieve greater success.

Shri Manoj Agarwal sir (General Manager - Ambuja Foundation), Gourav Khandelwal sir (BCI Mundwa) visited Goverdhan to interact with the farmer beneficiaries of the program and visited wheat demo plots. He was accompanied by Purshottam Sir, Ram Mohan Lawaniyan Sir, Mr. Dharmveer, and Mr. Gulab Chand. The discussion focused on improving agricultural practices, covering soil health, water management, micro-irrigation techniques, efficient fertilizer application, and the role of micronutrients in crop productivity. This interactive session provided farmers with valuable insights, reinforcing our commitment to sustainable farming through the Better Wheat Initiative.

# UPSKILLING

At **Krishnashray Gurukul SEDI**, we are dedicated to empowering our trainees with continuous learning and career growth opportunities. Beyond placement assistance, we provide targeted upskilling and financial support to help them advance in their careers and adapt to evolving industry demands. In **FY 2022-23**, we financially supported two Assistant Beauty Therapist trainees for a 2-month Nail Extension & Nail Art course. In **FY 2023-24**, our support extended to 23 students. In **FY 2024-25**, our initiative expanded further to support 41 students:

- 2 Account Executives pursuing MCA (Cyber Security) and MBA (Finance & HR).
- 2 Assistant Electricians enrolled in a 2-year ITI program.
- 3 GDA alumni supported for GNM 2nd Year fees, and 8 GDA alumni funded for GNM 1st Year.
- 8 GDA students receiving support for 2-year Paramedical Diploma courses in OT Technician, Lab Technician, Radiology, and ECG Technician.
- 1 ABT student funded for M.A. (Painting – 2nd Year)
- 21 ACE & BCBF students are trained under Equity Derivatives Training.
