Message From Zonal Manager Desk

**Dear Esteemed Readers,
Jai Shree Krishna, Greetings to You All!**

As we embark on another quarter filled with renewed enthusiasm and purpose, I am pleased to present this edition of the **Krishnashray Gurukul Skill & Entrepreneurship Development Institute** (SEDI) Newsletter (April-June 2026). This edition reflects our continued commitment to empowering youth through quality skill development, industry partnerships, and community engagement.

This quarter witnessed significant progress under the **Dixon** CSR Program, where 332 candidates were enrolled, 266 successfully trained, and 203 placed, achieving an impressive 77% placement rate. These milestones reaffirm our mission of creating sustainable livelihood opportunities for rural youth.

We were privileged to host distinguished guests, including renowned filmmaker and wildlife photographer **Mr. Amoghavarsha**, who inspired our trainees with valuable insights into filmmaking, wildlife photography, and the growing influence of Artificial Intelligence in creative industries. We also welcomed senior leaders from Ambuja Foundation, whose visit reinforced our shared commitment to excellence in skill development.

This quarter, we were privileged to welcome **Mr. Ravi Nayse, COO - Ambuja Foundation**, whose inspiring interaction motivated our trainees to pursue skill development with confidence and dedication. His visit also reaffirmed the Foundation's commitment to **quality training and sustainable livelihoods**. Under the **Better Wheat Initiative**, a **farmer awareness meeting** in **Sakarwa Village** engaged over **50 farmers** on natural farming, water conservation, and sustainable agricultural practices, further strengthening our efforts towards community development and rural empowerment.

Our trainees continued to enhance their capabilities through specialized workshops in **Nanny Training, Advanced Hair Training** with **Streax Professional, Saree Draping, HD Acrylic Painting**, and an expert session **Financial Literacy**, ensuring they are equipped with both technical expertise and essential life skills.

Beyond skill training, we celebrated important occasions such as **Mother's Day, World Environment Day**, and **Funtakshari, fostering creativity, teamwork**, and a strong sense of community. Through the Better Wheat Initiative, we also continued supporting farmers by promoting sustainable agricultural practices and knowledge-sharing sessions.

We are equally proud of our successful placements with organizations such as Revlog International Trading FZE (UAE), Cogent, and Sharda Hospital, reflecting the confidence that leading employers place in our trainees. Our commitment to lifelong learning was

further strengthened through the **Upskilling Initiative**, enabling 67 alumni to pursue advanced education and specialized training.

As we reflect on another successful quarter, I extend my heartfelt gratitude to our CSR partners, industry collaborators, faculty members, support staff, and trainees for their unwavering support and dedication. Together, we continue to transform lives, empower communities, and build a brighter future through skills, education, and opportunity.

Vishnu Prasad
Zonal Manager, Ambuja Foundation

PROGRESS UNDER DIXON CSR PROGRAM

Dixon®

Dixon partnered with Krishnashray Gurukul SEDI starting in FY 2023-24, funding toolkits for the Mobile Phone Hardware Repair Technician batch. This support enabled hands-on training for candidates, aligning with SEDI's mission to deliver practical skill development programs.

In FY 2024-25, Dixon continued the collaboration by funding the Handset Repair Engineer batch, building on prior success. For FY 2025-26, they extended funding to both Assistant Electrician and Handset Repair Engineer batches, ensuring sustained access to essential resources.

This long-term partnership shows Dixon's commitment to helping rural youth through its CSR efforts. Dixon supports skill training programs that improve job

opportunities and create better livelihoods. By setting up practical training facilities, the company is helping rural communities grow and enabling young people to become financially independent.

From Apr-Jun 2026-27 till date, the program has delivered measurable impact in youth skilling and workforce readiness, enrolling 332 candidates and successfully training 266 participants through structured vocational interventions. These efforts resulted in 174 placements across both wage employment and self-employment, achieving a 77% placement success rate. Notably, 100 beneficiaries have sustained their livelihoods, with an average monthly earning of ₹16,129, underscoring the program's effectiveness in creating stable employment and entrepreneurial pathways.

Empowering students to build rewarding careers

Our Gratitude to AU Foundation

Our partner in Transformation

“ Your support goes beyond numbers – it changes lives.
From skilling the youth to building careers, AU Foundation
has been a true catalyst in driving sustainable impact and
creating new opportunities. ”

Together we have created Impact

Empowering Youth	Building Careers	Strengthening Communities	Inspiring Futures
Providing quality skill development and training to enhance employability and confidence.	Creating opportunities for meaningful employment and career growth.	Contributing to inclusive growth and long-term socio-economic development.	Encouraging youth to dream big, unlock their potential, and shape a better tomorrow.

End of Relationship

As we conclude this impactful journey together, we extend our heartfelt thanks to AU Foundation for their trust, partnership, and unwavering support.
Though the relationship ended, the impact remains inspiring.
Thank you for being a part of our transformational journey.

Teams' Corner

Ram Mohan Lawaniyan, born in the humble village of Tehra in Agra District, Uttar Pradesh, has devoted his life to empowering rural youth with skills, opportunities, and hope for a brighter future. Growing up as the eldest son in a rural family, he learned discipline, responsibility, and perseverance early on, while his grandmother instilled in him values of honesty, compassion, and respect. These lessons became the foundation of his mission: **“to connect every deserving youth with the right skills, the right opportunities, and a brighter future.”**

After completing his graduation, Ram Mohan's professional journey began in **2015** with **ICA Edu Skills Pvt. Ltd.** as a **Placement Officer**, where he first experienced the realities of community development. In

2017, he joined **Laurus Edutech Pvt. Ltd.**, further strengthening his expertise in placements and industry engagement. Later that year, he received a transformative opportunity with **Aditya Birla Skills Foundation, under its CSR initiative**, where he successfully guided and placed more than **2,500 students**, enabling them to achieve financial independence. This phase marked a major turning point in his career. In 2019, he joined **Ambuja Foundation** in Jaipur, where his dedication and consistent performance earned him a promotion as In charge of the Skills and Entrepreneurship Development Institute (SEDI).

Since **August 2022**, he has been leading **Krishnashray Gurukul SEDI**, first as In Charge and later as **Principal**, entrusted with the overall growth and development of the institution.

At Krishnashray Gurukul, his mission and vision are to provide holistic development opportunities for rural youth, especially underprivileged and female youth, ensuring they gain access to quality training, mentorship, and sustainable livelihoods. Guided by mentors such as **Mr Manoj Agarwal (Sr. General Manager- Ambuja Foundation)** and **Mr. Vishnu Prasad (Zonal Manager- Ambuja Foundation)**,* Ram Mohan has strengthened his approach to innovation, empathy, and servant leadership. Under his leadership, the institute has expanded beyond skill development and sustainable agriculture into sports, dance, personality development, digital skills, and upskilling programs. Through the **Upskilling Initiative**, trainees are being guided for future growth, benefiting from advanced training and building sustainable careers. The **Dance and Sports Initiatives** have helped students gain self-confidence and explore opportunities in their respective fields, ensuring their overall personality development.

Ram Mohan has also built strong **industry partnerships** for content development, faculty upgradation, on-the-job training, and placement opportunities with **Dixon, HRI, Kokuyo Camil, Schneider India Foundation, Supreme Industries, and Tally Prime as knowledge partners**. In addition, the institute has associated with **ISKCON Bhagwat Geeta Mahavidyalay** to spread the timeless wisdom of the **Bhagwat Geeta Ji** among students and faculty members, nurturing both professional and spiritual growth. To further strengthen career opportunities, Krishnashray Gurukul has partnered with leading **placement organizations** such as **Shree Ram Finance, iPhone, Mahindra Finance, HDFC Bank, Axis Bank, AU Small Finance Bank, and Aaji Care**, ensuring better placements and long-term career growth for trainees.

Beyond his professional responsibilities, the most satisfying and peace-giving activity for Ram Mohan is the daily prayers he conducts with the students. These moments of collective devotion not only bring inner calm but also strengthen the spiritual bond between faculty and students, creating an environment of harmony and purpose. In all these achievements, he remains deeply thankful to his **better half**, whose unwavering support has been a pillar throughout his journey, and he treasures the love and joy brought into his life by his daughter, **Ridhi Lawaniyan**.

Throughout his journey, Ram Mohan has mastered project management, team leadership, financial management, data analysis, industry partnerships, and stakeholder engagement. Yet beyond skills and achievements, his story reflects resilience, gratitude, and purpose. Every challenge has taught him something valuable, every mentor has shaped his thinking, and every student whose life has changed has reinforced his mission. His journey continues with the same vision:

“to connect every deserving youth with the right skills, the right opportunities, and a brighter future.”

Giriraj Dharan Ki Jai!

New Team Member

Krishnashray Gurukul SEDI welcomes Mr. Harshit as Facilitator Plumber-General

We are delighted to welcome Mr. Harshit Agnihotri to the Krishnashray Gurukul SEDI team as a Trainer.

With a strong technical background in Plumbing, including Craft Training Scheme (CTS) and Craft Instructor Training Scheme (CITS) certifications, and prior experience in skill development training, Harshit brings valuable expertise in technical education, practical training, and learner development. His passion for teaching and commitment to empowering youth will contribute significantly to our mission of skill development and employability enhancement.

We wish him great success and look forward to his valuable contributions to the growth of our trainees and institution.

New Batch Announcement - Plumbing (General) Job Role

We are pleased to announce the launch of a new **Plumber-General** Job Role batch in the first week of July, under the guidance and support of **Supreme Industries**. As part of this collaboration, Supreme Industries has also extended valuable support by providing equipment for the Plumbing Training Lab, strengthening our practical training infrastructure. This initiative is designed to equip aspiring candidates with industry-relevant plumbing skills, creating greater opportunities for sustainable employment and entrepreneurship. We look forward to empowering more youth with hands-on training and career-oriented learning.

Visit of Delegates

**18th
Apr'26**

Inspired Visit by Mr. Amoghavarsha (Filmmaker)

Krishnashray Gurukul SEDI had the privilege of hosting Mr. Amoghavarsha, award-winning filmmaker and wildlife photographer. During his visit, he interacted with students and faculty, sharing insights on filmmaking, wildlife photography, AI, and career opportunities in the creative industry.

During his visit, he toured the Gurukul campus, interacted with students and faculty, and shared valuable insights into wildlife photography, filmmaking, and opportunities in the creative industry. He encouraged students to embrace hard work, ethics, continuous learning, and the effective use of AI in their personal and professional growth.

**23rd
May'26**

Inspired Visit by Mr. Ravi Nayse (COO- Ambuja Foundation)

Mr. Ravi Nayse, COO - Ambuja Foundation, visited Krishnashray Gurukul SEDI and inspired the trainees through his motivational interaction. He encouraged them to stay committed to learning, develop essential skills, and confidently pursue rewarding career opportunities.

The dignitaries also held discussions with the Gurukul staff, appreciating their efforts towards skill development. They expressed their satisfaction with the progress of the batches and the overall impact of the skill development initiatives. As a token of appreciation and remembrance, framed photographs were presented to the staff members.

Special Workshops

**5th
Jun'26**

Nanny Training Workshop

Krishnashray Gurukul organized a 3-Day Nanny Training Program with Dr. Pooja Singhania and Ms. Shilpi Malhotra from Nourish 1000 Days, Mumbai. Covering newborn care, nutrition, hygiene, and child development, it built confidence, created employment opportunities, and reinforced trainers' expertise, reflecting Gurukul's commitment to skill development and career growth.

**4th-7th
Jun'26**

Advanced Hair Training Workshop

Krishnashray Gurukul SEDI, with Knowledge Partner Hygiene Research Institute Pvt. Ltd. (HRI) - Streak Professional, conducted a 4-Day Advanced Hair Training Workshop for Assistant Beauty Therapist trainees and alumni. Covering hair science, colouring, theory, product knowledge, consultation, and best practices, hands-on sessions enhanced expertise, boosted industry readiness, and created opportunities, with gratitude to Mrs. Rochelle Chhabra.

**5th
Jun'26**

Saree Draping Workshop

Krishnashray Gurukul SEDI conducted a 2-Day Saree Draping Workshop under Mrs. Anshita Binnani, offering hands-on training in diverse draping styles. A competition recognized top performers, while trainees explored career opportunities in bridal styling, fashion consulting, retail, and entrepreneurship. Saree Draping will now be a formal ABT course module.

**19th-
20th
Jun'26**

HD Acrylic Workshop

Krishnashray Gurukul SEDI, in association with Camlin (Kokuyo Camlin Ltd.), organized a 2-Day HD Acrylic Workshop on 19-20 June 2026 under the guidance of renowned artist Shri Krishnendu Porel Ji. Students received hands-on training, a competition recognized top performers, and dignitaries felicitated achievers. Kokuyo Camlin Ltd. honored Gurukul's team, reflecting commitment to creativity and excellence.

Expert Sessions

**29th
May'26**

Financial Literacy Session

Krishnashray Gurukul SEDI organized a Financial Literacy Session led by Mr. Sandeep Pareek, Mr. Abhishek Shukla, and Mr. Amit Chaturvedi. Trainees gained insights into banking practices, savings, financial planning, and cyber safety. The interactive program enhanced awareness, built confidence, and prepared participants for a secure, responsible financial future.

Assessment & Certification

**29th
May'26**

Two-Day Assessment & Certification for Beauty Therapist trainees

Krishnashray Gurukul SEDI, in collaboration with its Knowledge Partner, Hygienic Research Institute Pvt. Ltd. (HRI) – Streax Professional, successfully conducted a two-day Assessment & Certification Program for Assistant Beauty Therapist trainees. HRI continues to strengthen the program through industry-led training and technical guidance. Successful trainees received certifications and professional toolkits, while five outstanding performers were shortlisted for an exclusive exposure visit to Mumbai.

Celebrations & Events

**12th
May'26**

Mother's Day Celebration

Krishnashray Gurukul SEDI celebrated Mother's Day with great enthusiasm and heartfelt emotions. Trainees participated in various activities, including songs, poster making, greeting card creation, and speeches dedicated to mothers. Through their creativity and talent, students expressed their love, respect, and gratitude for the unconditional care and sacrifices of mothers. The celebration created a joyful and memorable atmosphere for everyone.

**5th
Jun'26**

World Environment Day

Krishnashray Gurukul SEDI celebrated World Environment Day with enthusiasm as trainees from all batches planted saplings and created posters promoting environmental conservation. These activities fostered awareness, creativity, and responsibility, inspiring everyone to protect nature. The celebration highlighted commitment to sustainability, reminding us that together we can build a greener, healthier future for our planet.

**13th
Jun'26**

Funtakshri Event

Funtakshari 2026 was organized at Krishnashray Gurukul SEDI on 13th June 2026. Led by Shri Sandeep Damania Ji and supported by Shri Kunj Pansari Ji, the event brought music, fun, and excitement. Students participated enthusiastically, and prize distribution made the celebration memorable and successful.

Better Wheat Initiative

**23rd
May'26**

Visit of Senior Officials

A farmer meeting was successfully organized in Sakarwa Village under the Better Wheat Initiative, with participation from over 50 farmers. The program was attended by representatives from Ambuja Foundation, including Shri Ravi Nayse (COO), Shri Vishnu Prasad (Zonal Manager), and Shri Ram Mohan Lawaniya (Principal).

The session highlighted natural farming, water conservation, micro-irrigation, and sustainable practices, while introducing sticky trap livelihood opportunities. Farmers engaged in interactive discussions, sharing experiences to boost productivity, cut costs, and enhance income through practical solutions.

**23rd
May'26**

Krishi Samvad Satra

Krishi Samvad Satra was successfully organized at Krishnashray Gurukul, Jatipura, Goverdhan under the Better Wheat Initiative Program. Around 40 farmers participated in the session and received valuable guidance from experts of Krishi Vigyan Kendra, Mathura. The program focused on enhancing farmers' knowledge of sustainable and scientific agricultural practices.

Experts shared practical insights on wheat production, soil health, horticulture, crop diversification, and sustainable farming practices. Farmers actively engaged with the scientists, discussed challenges, and received valuable guidance for improving agricultural productivity and sustainability.

Team Offsite 2026 – A Journey of Togetherness and Devotion

Krishnashray Gurukul successfully organized its Team Offsite to Jagannath Puri, Odisha from 19th to 25th April 2026.

The offsite was attended by Gurukul team members along with their family members, including mothers, spouses, and children, making it a memorable and enriching experience for all.
