MESSAGE FROM ZONAL MANAGER DESK

Dear Esteemed Readers,
Jai Shree Krishna,

As we present this edition of the Krishnashray Gurukul SEDI Newsletter (January–March 2026), it marks the successful culmination of a transformative financial year, reflecting our continued commitment to skill development, livelihood generation, and holistic youth empowerment.

This financial year, Gurukul has made significant progress, successfully training **814 candidates across various courses**, and engaging **500+ farmers** through our agriculture vertical under the Better Wheat Initiative.

These efforts have created meaningful impact through structured skilling and strong industry linkages. A key milestone has been our **first international placements in Dubai**, opening global career pathways for rural youth. At the same time, improved placement quality is reflected in higher salary outcomes, with packages reaching up to ₹**38,000–₹40,000**, particularly in the healthcare sector.

We extend our heartfelt thanks to our partners — **AU Foundation (AU Bank)**, **Dixon Technologies, HRI Pvt. Ltd. (Streax Professional)**, and **Schneider Electric India Foundation** — for their continued support in strengthening training quality, enabling upskilling of both trainees and faculty, and building a robust skilling ecosystem.

Our focus on inclusive development continues to strengthen, with around **40% female participation**, supported through enabling initiatives such as the **Crèche facility**, empowering women to pursue training and careers with confidence. We also extend our sincere gratitude to **Mr. Anoop Kumar Gupta**, **Vice Chancellor**, **GLA University**, for his continued guidance and encouragement to our trainees.

This quarter also witnessed strong ecosystem engagement through the visit of **Mr. Harsh Binani Ji**, **Co-founder of Smartworks**, along with **Mr. Ajoy Mohta Ji** and **Mr. Suresh Kabra Ji (ARSK & Associates)**. Their insights on industry expectations, emerging opportunities, and future-ready skills—including the integration of AI—have further strengthened our direction towards industry-aligned skilling. We also had meaningful interactions with representatives from **GATI Foundation**, exploring global placement pathways for our trainees.

We also successfully organized a **Rojgar Paramarsh Shivir (Job Fair)** in collaboration with the District Employment Office, Mathura, engaging **446+ candidates** with **242 successful selections** across 15+ companies. We extend our sincere gratitude to **Aaji Care Home Health Service Pvt. Ltd., Shriram Finance**, and all participating employers, along with government departments, for their valuable support.

Our **Upskilling Initiative**, with **67 trainees supported**, reflects our commitment towards long-term career progression. Alongside, continuous **capacity building of our team** ensures that our training delivery remains relevant and industry-aligned.

We are also proud to share that our **Gurukul Volleyball Team secured 2nd position at the Yuva Pratibha Mahotsav**, reflecting the spirit of discipline, teamwork, and holistic development that Gurukul stands for.

A special focus area for the upcoming financial year will be the **development of our Fine Arts & Painting program**. This year, our trainees showcased remarkable creativity through real-world assignments, including a special wall painting project created during the visit of **Hon'ble President Smt. Droupadi Murmu Ji**, and a large-scale Rangoli presentation at **Rangji Mandir, Vrindavan**.

Additionally, through our continued partnership with **Kokuyo Camlin**, students benefited from advanced workshops led by renowned artists, further enhancing their artistic skills and exposure. We aim to take this initiative forward through exhibitions and greater market linkages for our students.

Beyond skilling, our initiatives in agriculture, particularly the Better Wheat Initiative, continue to promote sustainable practices and strengthen rural livelihoods. We extend our sincere gratitude to **KVK Mathura and KVK Bharatpur** for their continuous technical support and guidance.

Looking ahead, we aim to further expand our training infrastructure. With the guidance of **Supreme Industries**, we are working towards establishing a **Plumbing Training Lab**, creating new pathways for employment and entrepreneurship.

As we step into the new financial year, we remain committed to scaling impact, strengthening partnerships, and enabling sustainable livelihood opportunities for youth.

As always, we seek your guidance on:

1. Enhancing our training methods, including faculty development and upskilling
2. Identifying better On-the-Job Training (OJT) and placement opportunities for our trainees

Vishnu Prasad
Zonal Manager, Ambuja Foundation

रोजगार परामर्श शिविर 2026

March 20, 2026

Krishnashray Gurukul SEDI successfully organized a **Rojgar Paramarsh Shivir** (Job Fair) in collaboration with the District Employment Office, Mathura. The event was inaugurated by **Ms. Sugandha Jain (District Employment Officer, Mathura)** along with esteemed guests **Mr. Keshav Sharma (Shriram Finance)** and **Mr. Santosh Kale (Aaji Care Home Health Service Pvt. Ltd.)**. They emphasized the importance of such initiatives in bridging the gap between skilled youth and employment opportunities. Employers conducted pre-placement briefings covering company profiles, job roles, hiring processes, and career growth pathways.

Placement Highlights

- **15+** reputed companies participated
- **446** candidates attended
- **242** candidates successfully placed
- Highest package: **₹26,000/month** (Aaji Care Home Health Service Pvt. Ltd. – with food & accommodation)

PROGRESS UNDER DIXON CSR PROGRAM

Dixon®

Dixon partnered with **Krishnashray Gurukul SEDI** starting in **FY 2023-24**, funding **toolkits** for the **Mobile Phone Hardware Repair Technician** batch. This support enabled hands-on training for candidates, aligning with SEDI's mission to deliver practical skill development programs.

In **FY 2024-25**, Dixon continued the collaboration by funding the **Handset Repair Engineer batch**, building on prior success. For **FY 2025-26**, they extended funding to both **Assistant Electrician and Handset Repair Engineer** batches, ensuring sustained access to essential resources.

This long-term partnership shows Dixon's commitment to helping rural youth through its CSR efforts. Dixon supports skill training programs that improve job opportunities and create better livelihoods.

By setting up practical training facilities, the company is helping rural communities grow and enabling young people to become financially independent.

From FY 2024–25 till date, the program has delivered measurable impact in youth skilling and workforce readiness, enrolling 301 candidates and **successfully training 256 participants** through structured vocational interventions. These efforts resulted in **174 placements across both wage employment and self-employment**, achieving a 77% placement success rate. Notably, **142 beneficiaries have sustained their livelihoods,** with an average **monthly earning of ₹16,129**, underscoring the program's effectiveness in creating stable employment and entrepreneurial pathways.

KNOWLEDGE PARTNER

Schneider Electric has joined hands as a knowledge partner through **Ambuja Foundation with Krishnashray Gurukul SEDI** from 2023 in technical training offerings of youth. Their contribution strengthens Assistant Electrician Lab by providing:

- **Solar Panel Setup:** Includes On-Grid, Off-Grid, and Hybrid configurations for hands-on learning.
- **2 BHK Practice Panel:** A simulated residential setup for practical training.
- **Tools & Demonstration Equipment:** Comprehensive kits for technical demonstrations and skill development.
- **Trainer of Trainers (ToT):** Certified from Institute for Electricity and Energy Management in 3 Modules of Electrician.
- **Tool Kits:** Distributed to candidates to support their practical learning and field readiness.

TEAMS' CORNER

My name is **Mahesh Chand Bairwa**, and I belong to the humble village of Mohalai in the Dausa district of Rajasthan. Growing up in a rural environment, I learned early in life the importance of hard work, discipline, and perseverance. I completed my graduation (B.A.) and post-graduation (M.A.) from Rajasthan University, along with a diploma in computer applications. These academic achievements laid a strong foundation for my professional journey.

I began my career in the corporate sector, stepping into the field of customer service and training. My journey started with Teleperformance, where I worked as a Customer Care Executive and gradually advanced to the role of Knowledge Expert. This phase helped me build strong communication skills, confidence, and a deep understanding of customer behavior.

Driven by my passion for teaching and mentoring, I transitioned into training roles. I worked as a Process Trainer with organizations such as Rural Shores Business Services and Altruist India Business Services, handling telecom processes like Airtel and Vodafone. These experiences strengthened my training capabilities, leadership qualities, and ability to guide teams effectively. Additionally, I worked as a Data Expert with Vodafone, managing data services across Rajasthan, which enhanced my analytical and operational expertise.

In 2019, I entered the development sector as a **CRM Trainer** with **Ambuja Foundation** and **AU Foundation**, marking a transformative phase in my career. Working closely with rural youth, I discovered a profound sense of purpose in empowering communities through skill development and employment readiness. Guided by the mentorship of **Mr. Manoj Agarwal**, whose visionary approach inspired innovation in training, and **Mr. Vishnu Prasad**, whose empathetic leadership instilled patience and clarity, I strengthened my commitment to creating meaningful social impact.

Since July 2022, I have been serving as a **Placement Officer** at **Krishnashray Gurukul SEDI (Ambuja Foundation)**. In this role, I handle end-to-end placement activities, build strong industry connections, and guide students toward meaningful career opportunities. From organizing placement drives to mentoring candidates and ensuring successful job placements, my focus remains on bridging the gap between skills and employment.
After one year of dedicated service, I was promoted to the position of **Senior Placement Officer**. Over the years, I have accumulated more than **14 years of experience** across training, operations, and placement management. I have also earned multiple certifications, including training certifications from Airtel, Vodafone, and Centum Learning, along with leadership development programs.

What truly defines my journey is a commitment to continuous learning and dedication. I strongly believe in empowering youth—especially from rural backgrounds—by providing them with the right guidance, skills, and opportunities. Witnessing candidates succeed in their careers brings me immense satisfaction and motivates me to contribute with even greater passion.

While my journey has had its share of challenges, each experience has taught me resilience, adaptability, and the importance of staying focused on my goals. Today, I take pride in being part of an ecosystem that transforms lives through skill development and employment.

I am truly grateful to **Krishnashray Foundation**, which has played a vital role in my professional growth. The Foundation not only mentored me but also stood by my family during difficult times. Their kindness and encouragement have left a lasting impact on my life. The support of Krishnashray Foundation has been a constant source of strength and inspiration, motivating me to move forward with confidence. I feel blessed to have received such guidance, and their kindness will always remain close to my heart. Above all, I feel proud to be a part of Krishnashray Foundation, carrying forward its values with respect and loyalty.

Warm Regards,
Mahesh Chand Bairwa

Achievement in Sports

January 29, 2026

Krishnashray Gurukul Sports Team proudly secured **2nd position in the Volleyball Competition** at the **Yuva Pratibha Mahotsav** organized by **Shri Siddhi Vinayak Mahavidyalaya, Govardhan**. The team was awarded a trophy, medals, certificates, and ₹1100 prize money, while four trainees also received consolation prizes in the Quiz Competition.

This remarkable achievement reflects the dedication, teamwork, and sportsmanship of our trainees, who continue to inspire through their hard work and perseverance. Special appreciation goes to **Mr. Prempal Ji**, **Sports Trainer**, whose guidance, motivation, and relentless support played a pivotal role in shaping the team's success.

GENERAL DUTY ASSISTANT

General Duty Assistants (GDAs) receive structured training with practical exposure in hospitals, preparing them to assist patients with **hygiene, mobility**, and **basic health monitoring**. With strong placement support, GDAs step into healthcare roles confidently, bridging patient needs and medical staff care. This program helps students build a stable career in the growing healthcare sector while serving the community with compassion and responsibility.

VISIT OF DELEGATES

GATI Foundation

On 6th February 2026, **Ms. Radhika Srinivasan**, Program Manager, and **Ms. Vridhi Hingorani**, Senior Program Associate from GATI Foundation visited Krishnashray Gurukul SEDI to explore global placement opportunities for Gurukul students. During their visit, they interacted with candidates from all running batches, understanding their skills, aspirations, and training progress. They also discussed potential international employment opportunities and reviewed the training programs at the centre to assess how students can be better prepared for global career prospects.

AU Official Visit

On 6th March 2026, **Mr. Virendra Singh Shakhawat**, Lead CSR at AU Foundation, visited Krishnashray Gurukul SEDI for an occasional interaction with the students.

During his visit, He met the students during their training and spoke with them about learning and skill development. His visit encouraged the students and showed AU Foundation's support for their growth and future opportunities. His words motivated the students to stay focused on their goals. The visit created a positive atmosphere of learning and hope.

Smartworks

On 14th March 2026, we were delighted to host **Mr. Ajoy Mohta Ji** and **Mr. Suresh Kabra Ji**, Managing Partners at **ARSK & Associates**, along with **Mr. Harsh Binani Ji**, Co-founder of **Smartworks**, at Gurukul. Their visit included classroom interactions and discussions with faculty on current programs and future opportunities. They appreciated Gurukul's impact in skill development, with Harsh Ji highlighting the strong employment potential of the GDA trade in healthcare and offering to connect trainees with job opportunities. He also suggested integrating AI in training, building a strong alumni network, and strengthening upskilling initiatives. We sincerely thank them for their valuable time and guidance, and look forward to their continued support in Gurukul's journey ahead.

EXPERT SESSIONS

युवा संवाद

Mr. Anoop Kumar Gupta

January 31, 2026

Krishnashray Gurukul SEDI inaugurated a Crèche (Child Care) Facility in the presence of **Anoop Kumar Gupta**, Vice Chancellor of GLA University. The facility aims to support married women trainees, enabling them to continue their skill training with greater ease. On this occasion, Sir also interacted with trainees through an engaging Yuva Samvad session, where he encouraged students to pursue excellence, integrity, and continuous self-improvement, leaving them inspired and motivated.

शक्ति संवाद

Mrs. Shipra Rathi

March 09, 2026

On the occasion of **Women's Day** 🎗️, a **शक्ति संवाद session** was organized yesterday at Krishnashray Gurukul SEDI, led by **Mrs. Shipra Rathi** Ma'am, **Founder Secretary of Khajani Welfare Society**, who is popularly known as **"Rojgar Didi"**.

During the session, she shared her inspiring life journey with the trainees and motivated them to move forward with confidence, dedication, and a positive mindset. She encouraged everyone to focus on their careers, believe in their abilities, and never give up on their goals. The session was truly inspiring and filled with positive energy, and we are grateful for her valuable guidance and motivation.

PAINTING WORKSHOP – KOKUYO CAMLIN

Mr. Roop Chand

Februry 13-14, 2026

Krishnashray Gurukul Skill and Entrepreneurship Development Institute (SEDI) successfully organized a **two-day Water Colour Workshop** in collaboration with **Kokuyo Camlin Ltd.**, providing an enriching learning experience for aspiring artists.

The workshop featured **new product demonstrations** and trials of Camel art materials, followed by an engaging and insightful session conducted by **President Awardee Artist, Shri Roop Chand Ji**, who guided **26 painting students along with faculty members.**

Shri Roop Chand Ji is a highly respected senior artist with over **31 years of experience**, having conducted **35 solo exhibitions and participated in more than 200 group exhibitions** in India and internationally. He is the recipient of **36 prestigious awards**, including the **President Award (2007).**

EVENTS & CELEBRATIONS

December 31, 2026

New Year 2026

Krishnashray Gurukul SEDI organized a **Bhajan Sankirtan** to welcome **New Year 2026** with devotion. The program, presented by the Krishnashray Gurukul Bhajan Mandali, was attended by **Mayur Shah** Sir, **Yug Dharma Das** sir, **Jagat Pran Pr**, **Udayanand** (7 years old), and **Mohan Pr**, who were honored with Tilak and Patka. Trainees enthusiastically participated, and copies of the Shrimad Bhagavad Gita were distributed, creating a devotional and joyful atmosphere.

January 03, 2026

स्वच्छता अभियान

The trainees of Krishnashray Gurukul SEDI conducted a **Safai Abhiyan** at **Govardhan Talheti**, actively participating in cleaning the area by collecting garbage and removing dirt. This initiative reflected their commitment to cleanliness, environmental awareness, and social responsibility, promoting the message of building a cleaner and better society.

January 12, 2026

National Youth Day

On the occasion of **National Youth Day**, celebrating the **birth anniversary** of **Swami Vivekananda**, Krishnashray Gurukul SEDI, Govardhan organized an inspiring rally. Trainees enthusiastically participated, spreading the ideals of unity, discipline, and nation-building, while reaching more than 1,000 youths and community members with a message of motivation and social responsibility.

March 07, 2026

Women's Day

On the occasion of **Women's Day**, celebrated on 7th March 2026, Krishnashray Gurukul SEDI, Govardhan organized a vibrant and engaging event. The celebration witnessed enthusiastic participation from trainees, who took part in activities such as a catwalk and a showcase of Indian traditional dresses. The event highlighted confidence, cultural pride, and self-expression among the candidates, creating a joyful and empowering atmosphere while celebrating the spirit and strength of women.

March 08, 2026

On the occasion of **International Women's Day**, a special program was organized in Village Sakarwa under the Better Wheat Initiative (BWI), beginning with the ceremonial lighting of the lamp. Project Coordinator Suraj Singh Dagur highlighted the importance of the day and the vital role of women in agriculture, while also covering topics like ICM, vegetable cultivation, and soil health. Two expert sessions enriched the program—**Adv. Ms. Chanchal Yadav** spoke on gender equality and women's legal rights, and **Dr. Pritiksha** (Community Health Officer) addressed women's health, personal hygiene, menstrual hygiene, and common rural health issues. Eight progressive women farmers were honored with shawls (Lohi) for their contributions, and the active participation of village women made the event engaging, impactful, and successful.

March 20, 2026

रोजगार परामर्श शिविर

Krishnashray Gurukul Skill and Entrepreneurship Development Institute (SEDI) successfully organized a **रोजगार परामर्श शिविर** 2026 (Job Fair) on 20th March 2026, witnessing enthusiastic participation from a large number of candidates aspiring for career opportunities. The event brought together multiple reputed companies, offering diverse job roles across sectors. A key highlight of the job fair was the exceptional salary package offered by **Aaji Care Home Health Service Pvt. Ltd.**, which went up to **₹40,000 per month CTC** along with food and accommodation—marking the highest offer of the event.

The strong participation of candidates and promising placement outcomes reflected the institute's continued commitment to empowering youth with meaningful employment opportunities and career growth.

PROGRESS UNDER BETTER WHEAT INITIATIVE

January 20, 2026

A **Farmer Meeting** and **Expert Session** was organized to enhance farmers' knowledge of scientific crop protection and modern farming practices. **Shri Manoj Kumar Yadav**, **Agriculture Development Officer** (Plant Protection), guided farmers on biological pest control, Integrated Pest Management (IPM), and the use of pest monitoring tools like light traps, pheromone traps, and sticky traps.

Farmers were also informed about **Integrated Disease Management** (IDM), **micro-irrigation**, and sustainable crop management practices to promote eco-friendly farming. A field visit to cauliflower and wheat demonstration plots helped farmers identify nutrient deficiencies and learn proper nutrient management. They were also introduced to the ICAR NPSS AI-based mobile application for quick pest and disease diagnosis and scientific crop solutions.

January 23, 2026

A Farmer Exposure Visit was organized at Alwar with **18 farmers** (9 women and 9 men) under the Better Wheat Initiative to promote sustainable and integrated farming practices. Farmers visited the farm of **Dhyanendra Ji** at Village **Kherli Saiyed**, where they observed integrated farming with fruit crops, intercropping, rainwater harvesting, and drip irrigation.

At Village **Jatpur**, farmer **Balram Ji** demonstrated multi-crop cultivation using drip irrigation and rainwater harvesting. Farmers also interacted with Sujal Saheli SHG groups, where women showcased chilli and coriander processing and packaging as livelihood activities.

At Village **Nangli Megha**, farmer **Movina Ji** demonstrated the use of a biogas plant and organic manure. The visit helped farmers learn about climate-smart and income-generating agricultural practices.

February 11, 2026

Mr. Vishnu Prasad (Zonal Manager) visited Pali to review the progress of the Better Wheat Initiative, accompanied by **Mr. Ram Mohan Lawaniyan, Suraj Singh Dagur, and Dharmveer Kumawat** . During the visit, the team interacted with farmer beneficiaries and inspected wheat demonstration plots to assess crop growth and the adoption of recommended agronomic practices, focusing on soil health management, balanced nutrient use, water-use efficiency, and micro-irrigation systems.

The team also visited the Krishnashray Gurukul Demonstration Farm, where hybrid trailing varieties of tomato, capsicum, and broccoli are cultivated under an organic farming system using drip irrigation, bamboo staking structures, and a Jeevamrit unit to promote sustainable agriculture. The visit reinforced the initiative's commitment to sustainable farming and farmer empowerment.

March 06, 2026

Under the Better Wheat Initiative, an expert visit was conducted at the Krishnashray Demonstration Farm by scientists from Krishi Vigyan Kendra Mathura—**Dr. Y. K. Sharma, Dr. Ravindra Kumar Rajput,** and **Dr. Braj Mohan**. The experts reviewed the demonstration plot, appreciated the team's efforts, and provided valuable technical suggestions to improve crop management and soil health. They also assured continued technical guidance to strengthen farmer learning through the initiative, which highlighted the importance of scientific support in advancing sustainable farming practices.

The farmers felt encouraged by the experts' appreciation and advice, gaining confidence to adopt better farming methods. Their guidance created a sense of trust and partnership between the farmers and the initiative team. The visit not only boosted morale but also reinforced the commitment to improving productivity and soil health, ensuring that farmers remain motivated to apply modern techniques for long-term agricultural growth.
